Alcea rosea	Hollyhock	Halo Apricot	Now	D	Apricot-pink	Jun-Aug	Striking back of the border beauty - starts with deep apricot-pink blooms that finish wine red in Jun-Aug.	3	5-6'	2'	ave	Sun	Pollinator friendly. Not deer resistant
Alcea rosea	Hollyhock	Halo Cerise	Now	D	Rose-pink	Jun-Aug	Striking back of the border beauty with deep bright rose-pink blooms with a purple eye in Jun-Aug	3	5-6'	2'	ave	Sun	Pollinator friendly. Not deer resistant
Allium		Atropurpureum	Now	D	Burgundy-wine	May	Deep burgundy-wine blooms that are 2" wide, unusual Allium color. Blooms in May.	3	2'	6"	ave	Sun	Bee, butterfly Deer, rabbit resistant
Allium		Drumstick	Now	D	Burgundy	July	Small (1.5") round balls of burgundy in July. Bees adore them. They will spread and naturalize beautifully in the garden.	4	2'	6"	ave	Sun	Bee, butterfly Deer, rabbit resistant
Allium		Christophii	Now	D	purple-pink	May	Showstopper! Huge (8-12") cluster of star-shaped purple-pink flowers in late spring/ May.	5	1.5'	1'	ave	Sun	Bee, butterfly Deer, rabbit resistant

Allium		Giganteum	<b>Now</b>	D	Lilac	May	Huge bright lilac flowers (5" wide) on 4' stems. Blooms in late spring/ May.	5	3'	1'	ave	Sun	Bee, butterfly Deer, rabbit resistant
Allium		Ostara	<b>Now</b>	D	Reddish-purple	May	Huge bright reddish-purple flowers (5" wide). This is a short allium, great for the front of a border. Blooms in late spring/ May.	3	18"	1'	ave	Sun	Bee, butterfly Deer, rabbit resistant
Allium		Schubertii	<b>Now</b>	D	Pink-lavender	May	Showstopper! Huge (12") starburst-like pink-violet flower heads in late spring/ May.	3	18"		ave	Sun	Bee, butterfly Deer, rabbit resistant
Alstroemeria	Peruvian Lily	Peachy Orange	<b>May</b>	D	Orange-pink	Jun-Oct	Super long blooming - 5 months! Lovely orange-pink flowers. Amazing cut flower that lasts for 2 weeks in a vase. I love these for color, shape, height in the garden. They stay green for me through Dec/Jan, depending on weather. To 'deadhead' them, just pull the spent flower stalk, it will come right out and new growth is generated from the base of the plant. They like well drained fertile soil.	6	3'	2'	ave/ well drained	Sun/ PS	Bee, butterfly Deer, rabbit resistant
Alstroemeria	Peruvian Lily	Apricot	<b>May</b>	D	Light Pink	Jun-Oct	Super long blooming - 5 months! Lovely light pink flowers. Amazing cut flower that lasts for 2 weeks in a vase. I love these for color, shape, height in the garden. They stay green for me through Dec/Jan, depending on weather. To 'deadhead' them, just pull the spent flower stalk, it will come right out and new growth is generated from the base of the plant. They like well drained fertile soil.	6	3'	2'	ave/ well drained	Sun/ PS	Bee, butterfly Deer, rabbit resistant
Alstroemeria	Peruvian Lily	Mona Lisa	<b>June</b>	D	Rose/cream/burgundy	Jun-Oct	Rare variety from Europe with rosy exterior and cream interior with short burgundy lines. Stunning. Super long blooming - 5 months! Great cut flower that lasts for 2 weeks in a vase. I love these for color, shape, height in the garden. They stay green for me through Dec/Jan, depending on weather. To 'deadhead' them, just pull the spent flower stalk, it will come right out and new growth is generated from the base of the plant. They like well drained fertile soil.	7	3'	2'	ave/ well drained	Sun/ PS	Bee, butterfly Deer, rabbit resistant
Amaranthus	Amaranth	Red Garnet	<b>May</b>	D	Burgundy	Jul-frost	Young leaves can be eaten for greens, and flower heads fill with seeds that can be toasted and eaten as grains. Because of its stunning height, seed-filled flower heads make a great source of food for birds.	Annual	8'	2'	ave	Sun	Bee, butterfly Deer, rabbit resistant
Ammi Majus	Bishop's Flower		<b>May</b>	D	White	May/ June	Pure giant white umbrels grace the garden in May/ June - a perfect complement to early summer bloomers - roses, peonies, delphiniums, etc. This is the natural species version of False Queen Anne's Lace. The white umbrel flowers act as a magnet for beneficial insects. Not only do the flowers attract and feed pollinators, but they also attract a host of predatory insects that will scour the garden looking for pests to eat.	Annual	4'	1.5'	ave	Sun	

Astrantia Involucrata		Shaggy	Summer	D											
Begonia grandis	Begonia	Evansiana Pink	Summer	D											
Bergenia		Pink Dragonfly	Now	E	Deep pink	Apr-May	Evergreen with beautiful plum-burgundy leaves in winter and striking deep pink flowers in spring and sometimes in fall.	4	1'	1'	Ave	Sun/PS			
Brunnera Macrophylla		Jack Frost	Now	D	Blue	Apr-May	Award-winner that brightens the shade with its silvery white heart shaped leaves and bright blue flowers in April/May.	3	1'	1'	Ave	PS/Shade			
Buddleia	Butterfly Bush	Asian Moon	Now	E	Purple	Jun-Sept	Fragrant purple flowers bloom from Jun - Sept. The seeds are sterile - so more flowers and no spreading	5	6'	4'	Ave	Sun			
Buddlei globosa	Butterfly Bush	Orange Balls	Now	D	Orange	Early summer	Very different Butterfly bush with numerous rounded clusters of small orange flowers - each looks like a perfect ball. Because the fragrant flowers bloom on the previous year's wood, make sure that you prune this shrub after it has finished blooming and not early in the spring. Buddleia globosa is found in the wild in Chile, Argentina and Peru. Likes fertile, moist, well drained soil.	7	10-15'	10-15'	Ave-moist	Sun			
Camassia Quamash		Wild Hycinth	Late April	D	Blue	May	Deep blue starry flowers. Forms colonies over time. A Pacific NW native ! Needs well drained soil.	3	1.5'	9"	Ave/well drained	Sun/PS			
Canna		Happy Wilma	Now	D											
Centranthus Ruber	Jupiter's Beard	Albus/ Snow Cloud	Now	D	White	May-Nov	Super long blooming white clusters May-Nov. With some deadheading, one of the longest blooming perennials.	5	2.5'	2'	ave	Sun/PS			
Centranthus Ruber	Jupiter's Beard or Red Valarian	Pretty Betsy	Now	D	Coral-red- pink	May-Nov	Super long blooming vibrant red-coral-pink clusters May-Nov. With some deadheading, one of the longest blooming perennials.	5	2.5'	2'	ave	Sun/PS			
Clematis		Haku Okan	Now	D			5-7" blooms May June & sept. 9' tall dark purple								
Clematis		Sunset	Now	D			4-6" 9' tall. May-june & sept Magenta								
Clematis		Westerplatte	Now	D			4-5" blooms early spring & late summer/fall. Burgundy. 8'/12'								
Cosmos Bipinnatus	Cosmos	Antiquity	Now	D	Burgundy- pink	Early Summer - frost	Dwarf Cosmos known for early flowering. Rich crimson to burgundy flowers that fade to pink from summer to fall on bushy, fern-leafed plants.	Annual	2'	1'	ave	Sun	Bee, butterfly Deer, rabbit resistant		
Cosmos Bipinnatus	Cosmos	Apricotta	Now	D	Pink- apricot	Summer - frost	Shimmery pink-apricot flowers summer to fall on bushy, fern-leafed plants.	Annual	3'	2'	ave	Sun	Bee, butterfly Deer, rabbit resistant		
Cosmos atrosanguineus	Chocolate Cosmos	Black Magic	Now	D	Burgundy- red	Summer - frost	Smells like chocolate! Velvety burgundy red blooms from early summer until frost.	Annual	2'	2'	ave	Sun	Bee, butterfly Deer, rabbit resistant		
Cosmos Bipinnatus	Cosmos	Candy Stripe	Now	D	Red-pink- white	Summer - frost	Flowers that look like Candy Canes with red-pink stripes on a white petals. Blooms summer to fall on bushy, fern-leafed plants.	Annual	4'	2'	ave	Sun	Bee, butterfly Deer, rabbit resistant		
Cynara cardunculus		Cardoon	Now	D	Purple	late summer	Great for adding texture to the garden, this bold architectural plant has jagged gray leaves up to 3' long and purple thistle-shaped flowers that bloom in late summer and fall.	7	4-5'	2.5'	ave. Must be well drained.	Sun			

Dahlia Imperialis	Bell Tree Dahlia	Pink	Now	D	Lavender-pink	Oct or Nov	Very rare - huge dahlia that gets to 8' or even 12'+. Loads of 5" lavender-pink blooms on panicles 3' wide per stalk. Blooms in Oct or Nov but before then it makes an absolutely stunning foliage plant with finely cut leaves in abundance covering the unusual bamboo-like stems. Must be staked and protected from high wind. Cut stalk to 6" after blooming. Protect from wind. After blooming cut to ground/ 6".	8	8-10'	5'	ave	Sun	
Dahlia		Coral Gypsy	May	D	Coral-pink	Jul-frost	Loads of large flowers until Oct/ Nov. - 7" blooms of rich deep coral-pink. Gorgeous in arrangements.	4'		3'	ave-heavy. Must be well drained.	Sun	
Dahlia		Holly Hill Black Beauty	May	D	Red-black	Jul-frost	Loads of large flowers until Oct/ Nov. - 6" blooms of dark red-black. Incredible in arrangements esp paired with corals, pinks, orange.	4.5'		3'	ave-heavy. Must be well drained.	Sun	
Dahlia		Intrigue	May	D	Coral	Jul-frost	Loads of large flowers until Oct or Nov. - 4" blooms of rich deep coral. Great in arrangements.	4'		2.5'	ave-heavy. Must be well drained.	Sun	
Dahlia		I'm a Hottie	May	D	Hot pink-magenta	Jul-frost	Loads of large flowers until Oct or Nov. - 8" hot pink-magenta blooms. Stunning in arrangements.	5'		3'	ave-heavy. Must be well drained.	Sun	
Dahlia		Maarn	May	D	Orange	Jul-frost	Loads of large flowers until Oct or Nov. - 4" orange blooms. Beautiful in arrangements.	3.5'		2.5'	ave-heavy. Must be well drained.	Sun	
Dahlia		Dragonberry	May	D	Fuschia orange pink	Jul-frost	Loads of large flowers until Oct or Nov. - 5" blooms of fuschia fading to orange-pink. So striking in arrangements.	4.5'		3'	ave-heavy. Must be well drained.	Sun	
Dahlia		Spartacus	May	D	red	Jul-frost	Loads of large flowers until Oct or Nov. - Huge 9" dark red blooms. Beautiful in arrangements.	4.5'		3'	ave-heavy. Must be well drained.	Sun	
Delphinium		Pacific Giant Astolat	Now	D	Lavendar-pink	May/June	Tall 'back of the border' perennial densely packed with semi-double lavender-pink flower spikes in May/June. Remove spikes at the base for a rebloom in fall.	3	4-5'	1.5'	ave	Sun	
Delphinium		Black Knight	Now	D	Purple	May/June	Tall 'back of the border' perennial densely packed with deep purple flower spikes in May/June. Remove spikes at the base for a rebloom in fall.	3	4-5'	1.5'	ave	Sun	
Delphinium		Pacific Giant Galahad	Now	D	White	May/ June	Tall 'back of the border' perennial densely packed with white flower spikes in May/June. Remove spikes at the base for a rebloom in fall.	3	4-5'	1.5'	ave	Sun	
Delphinium		Pink Punch	Now	D	Pink	May/ June	Likley the deepest pink delphinium available today - rich mulberry pink flowers with a frilled edge. Great for adding height in small spaces. Tall 'back of the border' perennial packed with pink flower spikes in May/June. Remove	3	4-5'	1.5'	ave	Sun	
Dianthus	Sweet William	Sooty	Now	D	Dark red	May-June	Masses of velvety Maroon-chocolate flowers. Lance-shaped, medium green leaves mature to mahogany.	3	1.5'	9"	ave	Sun	
Diascia	Twinspur	Blackthorn Apricot	Late April	D	Apricot	Spring-Fall	Apricot flowers from spring to fall (shear lightly to keep blooming). Great for front of borders or containers.	8	6"	18"	ave	Sun	Butterflies, bees
